WISE BAPTIST NEWS

A PUBLICATION FOR MEMBERS AND FRIENDS OF
 WISE BAPTIST CHURCH

May 31, 2022

A place for faith and fellowship with family and friends.

Dear Church Family and Friends,

Last week the eyes of America were on Robb Elementary School in Uvalde, Texas. Each new detail made it more horrifying. We scanned each news update. Looking for information to explain: How? Why?

Moods swung from heartbreak to rage. Then the blaming began. Who is at fault? And what could have prevented it?

Where was God? The world seems more dangerous than ever. For us all.

We might get some answers. Hoping they will bring peace of mind. They won't. No answer brings back the dead children and teachers.

Where was God when those children and teachers died? Same place He was when His child died. For us all. God is not our enemy. He is our companion in grief.

“God so loved the world that He gave His One and only Son”. For us all.

Maybe, if we start with God, it will clear our hearts and minds enough so all of us can figure out how to work together to decrease these tragedies.

Love, Pastor Mike

WBC Music Ministry

Why do we play "Taps?" This has been a question that we often ask ourselves, especially on Memorial Day. To find the reason, we must look back at the origins of the bugle call itself.

In July of 1862, General Daniel Butterfield told his brigade bugler that he disliked the colorless "extinguish lights call that was currently in use. He then whistled a new tune and asked his bugler to sound it. This went on for a few attempts and then, finally, they came up with the bugle call that was suitable for them and called it "Taps." The next day, buglers from other brigades came over to see what this new call was that had been used. They liked it, and then after copying the music, returned to their camps. Eventually, their generals also ordered it to be used to call "lights out."

General Butterfield could not have imagined its popularity and then use for another purpose for which it would grow. Today, whenever a man or woman is buried with military honors anywhere in the United States, "Taps" is played to signal "Put out the lights. Go to sleep." We use this tradition on Memorial Day to remember America's fallen. On Monday, trumpet players and buglers across the nation play taps at exactly 3:00 p.m. Tens of thousands will unite to commemorate and honor all the men and women who have fought and fallen in the line of duty.

I hope that you all have a wonderful and blessed week,

Joe
