WISE BAPTIST NEWS

A PUBLICATION FOR MEMBERS AND FRIENDS OF
WISE BAPTIST CHURCH

October 1, 2019

A place for faith and fellowship with family and friends.

Dear Church Family and Friends,

The opioid crisis...an estimated 300,000 people in the United States have died in the last 15 years due to drug overdose. Two-thirds were from opioids.

Statistics seem impersonal. Let's make it personal. Who do you know who has been affected?

What is an opioid? It is a drug made from the opium poppy. This includes Oxycontin (Oxycodone), Hydrocodone, heroin, fentanyl, etc.

In the past, Oxycontin was mainly used to relieve pain for patients in the final stages of cancer. Around 1996, pharmaceutical companies marketed it for pain for just about anything. They said Oxycontin was not addictive. They lied. (Learn more by reading "Dopesick" by Beth Macy.)

Where do we begin to address this epidemic? **We can begin by acknowledging that is not someone else's problem. We can say, "It is my problem, too." Nothing will happen until we decide this.**

How about you? Will you look for ways to be part of the solution?

Mark 1:33 says "the whole town gathered...and Jesus healed many...". We are all broken. It just shows up in different ways.

Love, Pastor Mike
