# WISE BAPTIST NEWS

A PUBLICATION FOR MEMBERS AND FRIENDS OF  
WISE BAPTIST CHURCH

January 6, 2015

*A place for faith and fellowship with family and friends.*

Dear church family and friends,

Jesus' earthly ministry lasted three years. During that time He spent time with individuals, His disciples, and larger crowds. The majority of His time was spent with twelve people, His disciples.

Why did Jesus invest so much time in twelve people? Weren't there more pressing issues at hand? There were sick who needed healing, people who were hungry, a nation being oppressed by the Romans.

Yet, Jesus chose to spend His time with a few, the same few. Why? What happened during that time? For three years, the disciples lived with Jesus, ate with Him, slept beside Him, and learned from Him.

They got to absorb our Lord's mind and heart in the most personal and direct way. He taught, they listened, they practiced what He taught, and then they talked about it afterwards. They watched Jesus' relationship with His Heavenly Father. They heard Him pray. They watched Jesus perform miracles. They heard His voice. They felt His touch.

Jesus was preparing them to be the church. The New Testament places a high value on the church. Part of Jesus' mission on earth was to birth the church. There was an urgency. There was limited time. Three years...so much to do...so much to teach. Jesus had three years to prepare the disciples to be the church.

When Jesus physically left this earth, the church was to be His physical body, His hands and feet. **The church is the one organization Jesus left behind.** That is why the church matters. We represent Christ to the world. We embody His Spirit. Paul tells us in II Cor. 5:20 that we are "Christ's ambassadors".

You are invited to join me on this journey. We will explore our place in the local church at Wise Baptist. On Sunday mornings for the next few weeks, I will be preaching a series called "Connecting through the Local Church". Beginning Wednesday, Jan. 14, I will be teaching a 4-week Bible study called, "I Am a Church Member".

Love, Pastor Mike

*From Leigh*

I will remember 2014 as a positive turning point in my life. I began the year with the book "One Word That Will Change Your Life" by Jon Gordon. The premise of the book is to choose a word to view your life through; a prism for your decisions, your relationships, your actions and attitudes. One Word is easier to maintain than a list of New Year's resolutions. My word for the year was "healthy". I tried to think, "Will this choice be *healthy*?" "Is this relationship or this conversation *healthy*?" And, it worked! One Word in combination with The Daniel Plan became the formula for positive change in my life. I ended 2014 much healthier physically, emotionally, and spiritually than I started.

I am going to continue to use The Daniel Plan and the One Word plan for 2015. My word for this year is **FORWARD**. I want to consider my actions and decisions as a way to move my life *forward*—not looking back and regretting, but looking and moving forward to being more healthy, more productive, more positive, closer in my relationships especially my relationship with God.

Any progress or success I have is because of God's grace and His mercy. Hard work or tons of hours in my own power are fruitless. God is the difference maker in all things and I give Him all the glory for anything and everything good in my life.

I pray that 2015 will hold many wonderful and inspiring moments for all of us as individuals and as a church family. There is no better time than now to examine your relationship with God and with the church and to make a commitment to be more involved in worship, Sunday School and Bible study. If you are interested in the music and/or youth ministries at WBC and want to be involved, don't hesitate to give me a call or stop by the office. There is a place for you!

Happy New Year!

Blessings, Leigh
