WISE BAPTIST NEWS

A PUBLICATION FOR MEMBERS AND FRIENDS OF
WISE BAPTIST CHURCH

June 30, 2020

Dear Church Family and Friends,

What is your favorite TV program? What do you look for? What keeps you coming back? Humor? An interesting story?

Terry and I like MASH. It is about a surgical hospital during the Korean War. We have watched it so many times, that I can recite the dialogue just before it happens (much to the annoyance of my wife).

We saw a gripping episode recently. Five Chinese soldiers surrendered to the Americans at their hospital camp. These soldiers were placed in a barbed wire compound. They were also musicians. Each had their instrument with them.

Shells were exploding in the camp. There was chaos with doctors and medical staff racing back and forth tending to the wounded.

While this was happening, the camera focused on an American surgeon, Major Winchester, and these Chinese soldier-musicians. Winchester happened to love classical music.

Suddenly the Chinese soldiers began playing a classical piece from Mozart. In those moments, Winchester and the musicians did not see or hear anything going on around them. The beauty of the music overshadowed the chaos around them...

Allow yourself to be captured by the beauty of the Cross of Jesus. May the beauty of this sign of God's tireless, redeeming love overshadow the chaos that surrounds us.

"But God demonstrates his own love for us in this: While we were yet sinners, Christ died for us." (Rom. 5:8)

Love, Pastor Mike

*WBC
Music Ministry*

Mike's sermons for the last few weeks have been about renewal and returning to normalcy. This "pause" in living has taught us about the things that matter and those that don't. Our new normal will be different than before, but it will be so good to see everyone, even if we can't hug or shake hands. Looking forward to seeing those of you that feel safe enough to come to worship on July 12. If you can't come to the church to worship, please keep tuning in on Facebook Live! I miss you all so much!

Peace & Love,
Donna

Many thanks to **Bob Adkins** for sharing his
thoughts on 2 Chronicles 7:14...

We believe that if we are willing to humble ourselves, confess our sin and turn from it, God will heal our land. We will keep on praying and believing. Thankful to live in a small community where we can feel relatively safe if we do the safe practices. Thankful to be a part of helping others in any large or small way.

Thank you to **Debbie Collins**
for sharing this well-loved recipe!
